Executive Director York explained the purpose of the 340B Report. Dr. York proceeded to explain the data utilized in the report and the PDAB data request, as well as the limited data that was received by the PDAB. Dr. York expressed appreciation for the entities that did submit data. Dr. York requested that that board consider changes to footnote 46 on page 26 and footnote 49 on page 29. The corrected footnotes should say “16 hospitals and 2 affiliated on-campus 340B-eligible clinics.” Dr. York also requested staff have the ability to copy edit and correct Scrivener's errors before submission.

Chair Mitchell allowed for discussion. Dr. Anderson praised staff for a quality product and Chair Mitchell expressed that it was unfortunate that more data was not provided to the PDAB.

Dr. Anderson, by request from Chair Mitchell, entertained a motion to accept the report with the changes Dr. York presented and scrivener's errors. Dr. Rockower seconded the motion. The Board voted unanimously, 4-0 (Dr. Benjamin, absent), to approve the 340B Report Pursuant to HB1056 (2024). Staff will submit the report to the legislature by the deadline of July 1, 2026.
